Castle of Aberdeenshire

This stunning cube contains 9 images of historic castles in the county of Aberdeenshire in North-eastern Scotland including: Drum Castle, Castle Fraser, Craigievar Castle, Fyvie Castle and Crathes Castle & Garden. The storycard card describes each image, example: Drum Castle: The keep in Drum Castle is one of the three oldest tower houses surviving in Scotland. The High Hall of the tower is still in its medieval state and offers fine views from the battlements. William de Irwyn was given the charter of the Royal Forest of Drum by King Robert the Bruce in 1323, and the same family remained owners of Drum for the following 653 years.
